

Invitation

Selskabets medlemmer inviteres hermed på rundvisning hos

**Sveriges Lantbruksuniversitet (SLU), Alnarp
sammen med Dansk Dendrologisk Forening og
Svensk Växtpatologisk förening**

Onsdag den 28. juni 2023, kl. 10.00-16.00

På Campus SLU Alnarp udføres forskning og undervisning vedrørende "landskapsarkitektur, trädgård, växtproduktion och sydsvenskt jord- och skogsbruk." Selve campusområdet omfatter ud over forsøgsarealer også en stor park med gamle træer, samt en mindre skov (Alnarps Västerskog). **Program på næste side.**

Swedish Agricultural University, Alnarp

At Campus SLU Alnarp research and teaching the main activities concern landscape architecture, horticulture, plant production, agriculture and silviculture in Southern Sweden. The campus area includes a large park with old trees and a small forest. **See program on the next page.**

Language will be Swedish / English mix.

Max deltagerantal 40 personer. Vi arrangerer fælles transport fra Danmark til Alnarp i private biler. DSPS refunderer broafgifter mod dokumentation. Det er også muligt at tage toget til Malmø og bus til SLU Campus.

Max participant number is 40. We will arrange joint transport via car pooling. DSPS will refund the bridge toll (keep ticket). It is also possible to take the train to Malmø and go by bus to Alnarp.

Alle er velkomne / All are welcome.

Dan Funck Jensen, Iben M. Thomsen & Erland Liljerøth

Tilmelding (registration) til Iben M. Thomsen: imt@ign.ku.dk (mobil 2227 0500) senest torsdag 18. juni 2022 / deadline June 18th.

**Dansk Selskab for Plantesygdomme og Skadedyr
besøger Sveriges Lantbruksuniversitet (SLU), Alnarp
sammen med Dansk Dendrologisk Forening og
Svensk Växtpatologisk förening**
